U. S. DEPARTMENT OF AGRICULTURE, BUREAU OF ANIMAL INDUSTRY.

A. D. MELVIN, CHIEF OF BUREAU.

SERVICE AND REGULATORY ANNOUNCEMENTS.

MAY, 1915.

[This publication is issued monthly for the dissemination of information, instructions, rulings, etc., concerning the work of the Bureau of Animal Industry. Free distribution is limited to persons in the service of the bureau, establishments at which the Federal meat inspection is conducted, public officers whose duties make it desirable for them to have such information, and journals especially concerned. Others desiring copies may obtain them from the Superintendent of Documents, Government Printing Office, Washington, D. C., at 5 cents each, or 50 cents a year. A supply will be sent to each official in charge of a station or branch of the bureau service, who should promptly distribute copies to members of his force. A file should be kept at each station for reference.]

CANADIAN ORDER CONCERNING IMPORTS.

The Canadian Department of Agriculture has issued an order relating to the admission into that country of products from the United States, a part of which is as follows:

(8) Cured and cooked meats, lard and tallow, butter and eggs may be imported.

(9) Dressed meats, either fresh or cured, in car lots, en route from one United States point to another, may be permitted to pass through Canada in bond in sealed cars, provided also that the steps and running boards of such cars have been disinfected to the satisfaction of an inspector of the Department of Agriculture at the port of entry into Canada.

Dressed meats, either fresh or cured, may be admitted when accompanied by a certificate of an officer of the Bureau of Animal Industry that the shipment has not originated in a closed or exposed area of a State under Federal quarantine, provided shipments do not include tongues, heads, or feet in the fresh unpickled state.

The certificate of origin required by the foregoing is in addition to the export certificate required by the regulations and instructions of the bureau.

PUBLICATIONS IN MAY.

[The Bureau keeps no mailing list for sending publications to individual employees, but publications are sent in bulk to inspectors in charge for distribution to members of their forces. The number of copies varies with the subject or nature of the publication and the number and class of employees. For example, in the case of a publication on a veterinary subject, sufficient copies are sent for the veterinarians. Inspectors in charge will use their judgment and distribute publications to best advantage. Additional copies will be furnished on request so far as possible.]
